**Re: Erratum – Reply to Comments in Amendment of Part 74 of the Commission’s Rules
Regarding FM Translator Interference, MB Docket No. 18-119**

Dear Ms. Dortch:

Kindly accept the attached late-filed *erratum* to the otherwise timely reply filing made by the LPFM Coalition yesterday in the above-captioned docket.

Due to inadvertence, the required table of contents and summary were not timely filed with the rest of the pleading on the September 5, 2018. We do not believe that any party will be prejudiced by acceptance of this *erratum* as the Electronic Comment Filing System did not publicly display all of yesterday’s filings in this proceeding until noon, today. The LPFM Coalition, through counsel, therefore respectfully requests leave from the Commission to accept this late filed *erratum* and include it in the docketed record for this proceeding.

Respectfully submitted,

Michael W. Richards
Counsel to LPFM Coalition
